**CHURCH PLANTING IN EAST AFRICA |**

Church leaders from villages near the Geita Gold Mine in Tanzania are eager to learn more about becoming Multiplication Network-trained church planters. Pray for the many people ready and waiting to start the training process.

**CHURCH PLANTING IN ECUADOR |**

Classes of indigenous church planters from the Assemblies of God in Quito are working through the first modules of their training. Pray for the church planters and their families as they set ministry goals and create strategic plans.

**EUROPE JOINS THE CHURCH PLANTING MOVEMENT |**

Last month, 45 Russian Church leaders and 80 Finnish leaders attended a two-day seminar to learn about church planting through MNM. The response was great and many are inspired to get involved in the church planting movement.

**NEW MENTORING MATERIALS |**

In the recent months, MNM released a new resource to equip church planting mentors. Last month, pastors from Huanaco and Tingo, Peru were some of the first to participate in the four-week training to learn how to coach church-planters-in-training

**CHURCH PLANTING IN MEXICO |**

God continues to grow His Church in Mexico. Last month, the National Reformed Presbyterian Church held a church planting seminar in Cancun. Around the same time, pastors from Quintana Roo were gathering to find out how they can join this church planting movement in their nation.
