

SMART AND POWERFUL GIVING

Increase Your Impact through Planned Gifts

THE POWER OF PLANNED GIVING

Gifts in a Will / Non-Cash Assets / Income for Life

Your gifts help Multiplication Network so they can plant More Churches and Stronger Churches and share Christ's love with the world. But did you know ...

Planned Gifts offer you smart and creative ways to increase your impact – often while benefiting your family, too. By understanding the available options, you can multiply the end results of your generosity in ways that are simple, flexible, cost-effective, and extraordinarily powerful.

GIFTS IN A WILL

Your will (or trust) is your final act of stewardship and care, a means to purposefully allocate your resources to support the people and causes you hold dear. By including charitable giving in your will, you model to your loved ones a legacy of generosity and you help ensure that Multiplication Network continues to have an impact in people's lives, well beyond your lifetime.

Percentage or Tithe

Many individuals choose to allocate a certain percentage of their estate toward charity, sometimes dividing this amount among multiple organizations. Some specifically designate 10 percent of their estate toward Kingdom causes, wishing to reinforce to their families the biblical concept of tithing.

Child Named Charity

Some families choose to add a "child named charity" to their will or trust. By this method, for example, if a couple had four children, each of the four children would receive 1/5 of their estate and the remaining 1/5 would go toward the couple's favorite Christian charities.

NON-CASH ASSETS

Most charitable gifts are in the form of cash because this is so familiar, but this is probably not the most cost-effective way for you to give. You may be able to increase your potential impact — and experience significant tax benefits — by giving non-cash assets.

Examples of Non-Cash Assets

- Stock or marketable securities
- Real estate
- Business interests
- Farm commodities
- Life insurance
- Retirement benefits
- Tangible personal property.

INCOME FOR LIFE

Lifetime income agreements are wonderful solutions for Christians who wish to give in a substantial way but are concerned about retirement income. You can gift cash or other property and receive steady income for the rest of your life (or a designated number of years). The remainder will go to benefit Multiplication Network.
