

MORE CHURCHES, STRONGER CHURCHES

Every day, the shared vision of realizing a healthy church representing the Kingdom of God in every community is being multiplied.

Multiplication Network Ministries (MNM) partners have been committed to **entrust** and **teach** what they **heard** in the training you helped provide. The work of God continued to expand into new countries and continents in 2016. It is only because of the Lord's favor and your generous support that we have strategically moved closer toward the goal of being involved in 50 countries by 2020.

In 2016, there were 6,696 church planters active in either planting a new church or completing their training. Through the year, we received many stories of people coming to know the hope of Jesus through a local community of faith — His Church.

Through the help of your resources invested with the goal of realizing more churches planted and stronger churches developed, we have witnessed many amazing instances of people's lives being transformed by the gospel of Jesus Christ.

THANK YOU!

What You Hear... Entrust and Teach.

Multiplication Network Ministries (MNM) equips local leaders who understand their culture, language, and social networks. This empowers them to share the gospel and train church planters more effectively. This transition from what has been the usual practice in typical global mission efforts has proven to be highly effective.

We train the trainers for entire denominations and associations so these workers can, in turn, train other church planters.

This approach allows us to reach many more people with our training as we multiply.
