MULTIPLICATION NETWORK MINISTRIES

2020

ANNUAL MINISTRY REPORT

The Coronavirus COVID-19 pandemic during 2020 was all encompassing. Travel stopped and large gatherings for training were postponed. But everyone found ways to minister despite the isolation. The Multiplication Network Ministries (MNM) model of national partnership did not require us to repatriate foreigners to their country of origin. Instead, national leaders had been trained and prepared to be “spiritual first responders” in their own contexts, proclaiming a word of hope and encouragement—looking out for the most vulnerable in the name of Jesus.

By God's grace and through your generous support, the gospel is growing throughout the whole world. Despite the global pandemic, MNM completed the 2020 Campaign—Mission to Multiply and now has ongoing ministry in over 42 countries.

MNM continued to produce new materials for training thousands of new church planters. During 2020, MNM realized 6,337 church planters active in planting a new church or completing their training. These leaders are now bearing fruit while introducing many people to Jesus through a local community of faith—His Church. **Even wearing a mask!**

“His intent was that now, **through the church**, the manifold wisdom of God should be made known...” Ephesians 3:10-11

YOUR GIFT IN ACTION

“Let your heart
take courage.”

The opportunity MNM had during 2020 in God’s ministry to the world was to use both common sense and boldness while ministering to others. We decided to “**let our hearts take courage.**”

With God’s direction and through the power of His Holy Spirit, MNM, and YOU in partnership, we not only survived the global Coronavirus COVID-19 pandemic but realized it is possible to thrive in crisis, **even wearing a mask**, as we trusted and placed our faith firmly in Him.

God allowed us to reach many people with help and training as we multiplied in 2020.
